

LAUNDRY SERVICE SOLUTIONS

Automated Laundry Services Improve Availability and Strengthen Customer Loyalty

Polytex enables your business to optimize the management of your laundry and uniform rental services. The Polytex solution increases control over garments, monitors laundry operations, reduces the number of lost items and provides accurate billing reports to your customer.

Efficient Laundry Cycle Operation

Monitor and control your laundry operations with accurate, real-time data coverage for all laundry activities. Increase reliability with timely delivery and availability of workwear items for all your customers.

Value Added Rental Services

Offer a wide range of value-added services to your customers including deployment of automated dispensing and return units, garment tracking, inventory management and workwear monitoring capabilities.

Accurate Billing Reports

Track customer orders with accurate scheduling, collection and delivery reports for each laundry batch. Increase your reporting capabilities with detailed data relating to number of regular and express services, type of laundry activity and quantity of items.

Increased Customer Loyalty

Create a superior customer experience based on reliable service, efficient operation and detailed billing reports. Extend customer retention through the deployment of dispensing and return units to "lock-in" customers to your service offering.

Our Value Proposition

Polytex solutions reduce the complexity and cost of laundry operations and uniform rental services. Polytex helps your business to achieve a high level of hygiene, strengthen your brand image and reduce ongoing operation costs.

Full Range of Solutions

Polytex offers a comprehensive suite of solutions fully customizable to meet customer needs and requirements.

Dispensing Unit: Scalable dispensing machines based on fast and simple to use user identification.

Return Unit: Scalable return machines based on fast and simple to use user identification.

Garment Tracker: Accurate and reliable high-volume garment tracking capabilities.

Multilocker Unit: Store and retrieve personal items via a personal ID card or biometric reader.

Total Care Manager: Cloud-based web application track usage and monitors daily machine operation.

Workwear Management

Polytex delivers a fully automated workwear distribution and collection solution with 24/7 self-service availability.

POLYTEX

Established in 2003, Polytex Technologies is a leading provider of workwear management solutions. Polytex supports the entire workwear laundry lifecycle with a wide range of automated machines backed by centralized cloud management and monitoring applications. Our solutions are used by hospitals and healthcare institutions, manufacturing sites, hospitality and fitness centers. Polytex has over two decades of field-proven industry experience in the delivery of large-scale commercial laundry services. Polytex has over 2,000 installed machines located in North and South America, Europe and Asia.
